Case Studies in International Trade

Roger Mackrill of Sabre UK Ltd is joined by two small businesses who are looking to grow their businesses internationally. As the UK considers Brexit and many other difficulties that entrepreneurs have to overcome, looking to trade internationally is a huge opportunity not to be missed. Many internationally based businesses and business people are looking at the depth and diversity of UK entrepreneurs and are only too keen to shake hands and do business.

Roger Mackrill

Following an extensive career in automotive, engineering and business management with a global perspective Roger is director and founder of Sabre UK Ltd. Founded in 2007, Sabre is a management consultancy and provides bespoke services to clients to facilitate them fulfilling aspirations in Asian markets,

India and China in particular. Roger is an experienced professional, guiding clients through strategic direction and planning to enter and establish these territories.
