Cheltenham & Cirencester Chambers of Commerce – combined networking meeting with an invitation to all

The Chambers of Commerce for Cheltenham and Cirencester join together to host a networking event for members and non-members to promote business in Gloucestershire and grow the county's economy by working together for a stronger voice. Join us for a glass of wine and some light refreshments and meet like minded businesses from across the county.

Michael Ratcliffe MBE

If you're looking for the man with the most passion about ensuring that the business community of Cheltenham continues to thrive and grow, look no further. Michael is the owner and manager of M R Ratcliffe Consultants Ltd, insurance brokers specialising in the transport industry, which he established in 1976. Based

in Cheltenham with 40 staff, M R Ratcliffe Insurance is a British Insurance Brokers' Association recommended broker, recognised throughout the industry for its expertise and customer care.

AnneMarie Thorogood

As one of the directors of Athena Web Designs, Annmarie works with many Cirencester businesses and organisations. Cirencester Chamber encourages all of its members to network and we hope that we can help businesses make great and long lasting connections.
